

Coronavirus Safety Guide

AVOID TOUCHING any surfaces
in public others might touch.

Some common examples include

Faucet handles

Door handles
or knobs

Cash &
credit cards

Shopping
bags

Gas
pumps

Pens & pencils

**Coronavirus
has been
shown to
last for
up to**

4

hours on
copper

24

hours on
cardboard

72

hours on
plastic &
steel

Any surface may have coronavirus on it.

If you **MUST** touch surfaces in
public, sanitize your hands
immediately before and after.
